

PASTOR TESTIMONIALS

Christian Fellowship Church – Ashburn, VA

*"The Board of Directors at Christian Fellowship Church has offered the workshop **"NECESSARY CONVERSATIONS"** for our church members on several occasions this year, and more are scheduled in the coming months.*

The workshop has proven to be a particularly good fit for our Senior Ministry and Dave Ramsey course attendees. The attendance and feedback have been positive as our members gain a better understanding of stewardship, learn about necessary plans for their families, and prepare for eternal life.

This workshop will help your congregants to manage their finances more wisely so they can tithe more and leave a better legacy to their family and church. We strongly recommend this workshop for your members to advance God's Kingdom."
